

# GRANDE TRAVERSEE DES ALPES self-guided - 1st section

From Lake Geneva to Mont-Blanc

Right through the Alps towards people and mountains... Grande Traversée des Alpes (GTA) between Lake Geneva and the Mediterranean is a long-distance journey. That's a chance to take a long break and put your daily life aside.

This itinerary runs along Swiss and Italian borders crossing five departments and some of the most famous massifs of the Alps.

## 1st section: Chablais, Haut Giffre, Aiguilles Rouges, Mont Blanc

This first stage takes us from the shores of Lake Geneva to the ice capital of Chamonix. We discover the Chablais massif with its characterful limestone relief and the rich green alpine pastures of Abondance! The wild and preserved Dents Blanches massif opens the doors of the Faucigny area. Land of giant waterfalls, lappiaz and abysses and also land of heavenly mountain pastures. A few hours of hiking later we are at the Aiguilles Rouges from where we finally discover the whole Mont Blanc range, a spectacular display of glaciers and rocks. To be continued...
