

MERCANTOUR PARK AND VALLEY OF WONDERS

Set off in the heart of the Mercantour National Park

The Vallée des Merveilles takes its name from the thousands of enigmatic engravings dating back to prehistoric times, inscribed on the coloured stone slabs known as 'ciappe'. This unique setting, nestling in the heart of the Mercantour National Park, is both fascinating and timeless.

Every step you take plunges you a little deeper into the magic of these mountains, where the grandiose panoramas stretch as far as the eye can see. The air is pure, the silence profound, disturbed only by the wind and the echoes of protected mountain wildlife. The hike we are proposing is a real immersion in this strange, unspoilt world. Let yourself be seduced by the diversity of the landscapes, where every turn reveals a new spectacle. From imposing peaks to lush green valleys, the Mercantour offers a multitude of dazzling vistas.

This stay in the heart of the Vallée des Merveilles is much more than a simple hike: it's an unforgettable encounter with history, nature and the hidden mysteries of the mountains.
